FRIDAY 13TH NOVEMBER
CHILDREN IN NEED

WHAT HAVE WE BEEN DOING THIS WEEK?

Reception

In Reception, the children have been learning about how important it is to brush their teeth and now brush them every day at school. All the children have loved doing this!

Year 3

The children in year 3 had a great time at their first forest school session. They were learning how to use maps and to find different points on them. They then went on to learn how to bandage each other up should they ever get into any trouble when out walking. They loved being outdoors and learning new skills and are very much looking forward to next week!

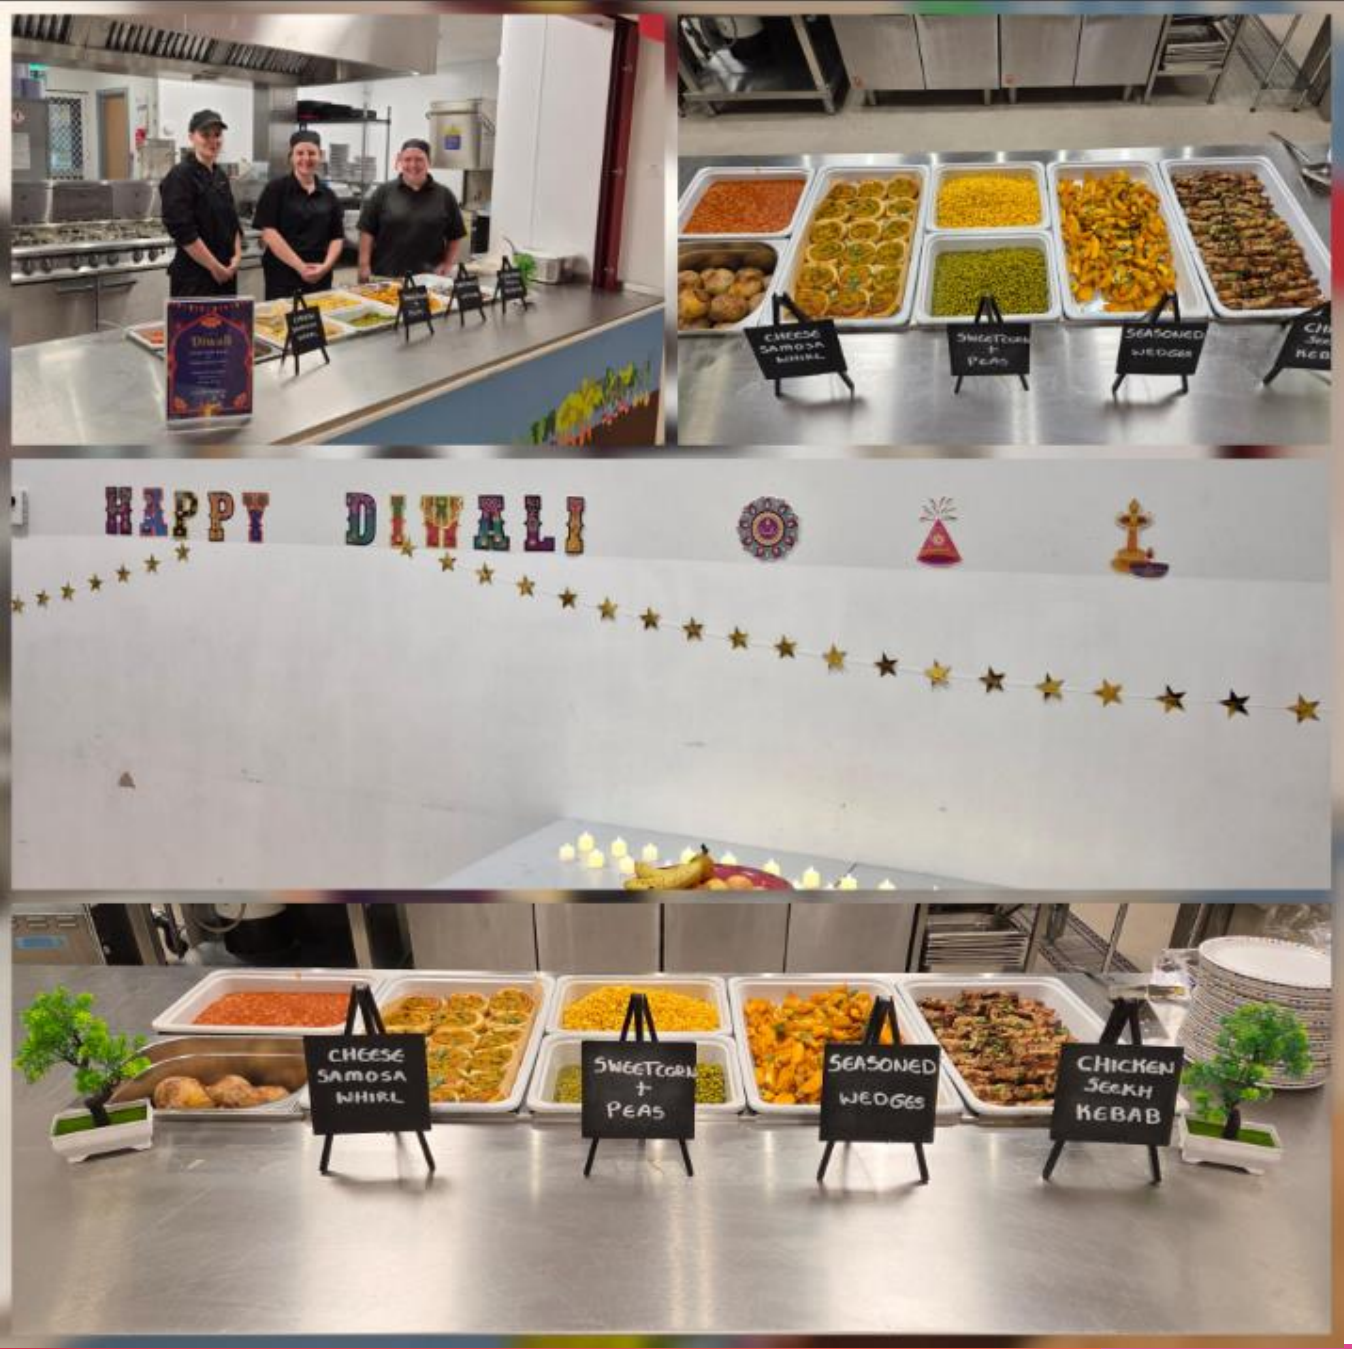

Whole school

In craft club, the children were making bonfires or cute ghosts out of modelling clay. They really enjoyed this and proudly showed off their models!

Diwali Celebration

A big thank you to the kitchen staff for making the special Diwali-themed lunch today. The children enjoyed the chicken seekh kebab and the cheese whirl pastry with samosa filling.

PICTURE NEWS

This week's Picture News is...

Question: Is the journey more important than the destination?

Story: British adventurer Karl Bushby has returned to the UK, after spending almost 28 years travelling around the world on an incredible journey home. Since leaving Chile in 1998, he has travelled through jungles, deserts and icy landscapes, even swimming across seas to continue his adventure. Karl's journey have been filled with amazing experiences, challenges and achievements.

This links to the British Value...

British Values
I Really Do Matter!

Individual Liberty | Rule of Law | Democracy | Mutual Respect and Tolerance

Which British value do you think this week's story highlights?

Karl's journey links to Rule of Law, because following the laws and rules of the countries he travelled through helped him travel safely and responsibly.

As Karl travelled through different countries, he had opportunities to learn about different cultures, traditions and ways of life, highlighting Mutual Respect and Tolerance.

Do you agree with either person, or think something different?

OTHER NEWS

We would like to remind all families of the importance of arriving at school on time each day.

Regular and punctual attendance is essential for children's learning, wellbeing and progress. Arriving late can cause children to miss important teaching, routines and instructions at the start of the day, making it more difficult for them to settle and engage in their learning.

As well as the educational impact, parents and carers have a legal responsibility to ensure their child attends school regularly and punctually. Persistent lateness is recorded as an absence in the school register when a child arrives after the register has closed. Attendance records are monitored by both the school and the Local Authority, and ongoing concerns regarding lateness may result in further action being taken.

To support your child, please ensure they:

- Arrive at school before the start of the school day.
- Are prepared and ready to learn.
- Attend school every day unless they are too unwell to do so.

We understand that occasional unforeseen circumstances can arise. However, if your family is experiencing difficulties that are affecting punctuality, please contact the school so that we can offer support where possible.

Thank you for your cooperation in ensuring all pupils have the best possible start to their day.
